Portalattina termico con fibbia per cintura

100% nylon 600D
misura unica 7x7x12h cm

This image shows two views of a thermal mug holder. On the left, it is shown as a closed, cylindrical orange bag with a black drawstring top and a black strap with a buckle. On the right, it is shown open, revealing a pink and white patterned mug inside. The bag has a textured, insulated appearance.
